FEVER AND AGUE IS NOT The only consequence of the missmatic poison. A great variety of disorders arise from its irritation, in malarious districts, a moing which are Neuralicia, Rheumanism, Gout, Headache, Blindness, Tootache, Catarrh, Asthma, Palpitation, Painful Affection of the Spiece, Hysterics, Pain in the Bowels, Colle, Paralysis, and Department of the Stamach, all of which, when rangement of the Stomach, all of which, when originating in this cause put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and thus cures them the poison from the blood, and thus cures them all alike. It is not only the most effectual remedy ever discovered for this class of complaints, but it is the cheapest and moreover is perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had never had the disease. Can this be said of any other cure for Chills and Sever? It is true of this, and its importance to those afflicted with the complaint cannot be over estimated. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain remedy. One Dealer complains that it is not a good medicine to sail, because one bottle cures a whole neighborhood.
